

ELEVATE RED SHIELD™ WARRANTIES

Choosing Elevate means more than just installing top-tier roofing systems from one of the most trusted names in commercial building solutions. It's about safeguarding your investment with industry-leading warranty coverage that offers peace of mind for years to come.

The Elevate Red Shield™ Limited Warranty is designed to provide comprehensive protection tailored to meet your building's needs. From schools and airports to restaurants and data centers, there's an Elevate warranty that fits every building, roofing system, and budget.

Elevate Red Shield Limited Warranties are for commercial and industrial roofing applications only. Single-family residences are eligible for Elevate membrane warranties only.

Key Benefits of Red Shield Limited Warranties:

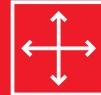

MATERIAL & LABOR COVERAGE

Comprehensive protection that covers both Elevate material and labor costs, with no-dollar-limit.

TRANSFERABLE COVERAGE

The warranty can be transferred from one owner to another, adding value and peace of mind during property transactions.

EDGE-TO-EDGE COVERAGE

Protection spans the entire roofing system, including Elevate membrane, insulation, and metal components.

FLEXIBLE TERMS

Choose the warranty duration that suits your needs, from five years to an industry-leading Platinum 30-year warranty.

Elevate Red Shield Limited Warranties cover our full range of roofing systems, ensuring that no matter the project, you receive the best possible protection.

Red Shield Platinum Warranty provides the highest level of coverage for your roofing system. With multiple options tailored to different needs, this warranty ensures long-lasting performance and durability. Requires 80-mil membrane minimum.

AVAILABLE COVERAGE TYPES:

Puncture: Protection against incidental punctures.

Puncture / Hail: Covers punctures and hail up to 2" in diameter.

Puncture / Hail / Wind: Includes punctures, hail up to 2", and windspeeds up to 120 mph.

For those looking for strong protection at a competitive price, our 25-year warranty offers a balance of durability and flexibility. Requires 60-mil membrane minimum.

This warranty offers essential protection for various roofing systems, ensuring reliable performance over the years. Requires 45-mil, 50-mil, or 60-mil membrane minimum depending on application.

- Hail, Cut & Puncture, and increased wind speed coverages are available for qualifying systems. Restrictions apply. Please see product Design Guides on www.elevatecommercialBP.com for requirements.
- Hail coverage and Cut & Puncture Protection are not available for Asphalt or Metal systems.
- RubberGard MAX (all thicknesses) includes Cut & Puncture Protection at no additional charge.
